

**2006 TAPPA Conference
Hosted by Southern Methodist University**

The Texas Association of Physical Plant Administrators represents over 115 Texas educational organizations including junior and community colleges, 4-year colleges, and universities. They are a non-profit organization that promotes common interests, proficiency, and professionalism in college and university Physical Plant operations which include planning, development, administration, maintenance, and operations. TAPPA fosters professional ideals, high standards, and strives to better serve the objectives of institutions of higher education.

The TAPPA 2006 Annual Education Conference will be held April 23-25, on the campus of Southern Methodist University in Dallas, TX.

On April 24, 2006 at 3:30pm, Michael Cozzi of Cirro Energy Services Inc. will be delivering a presentation on avoiding 4CP (coincidental peaks) charges in ERCOT

For more information or to register for the event, see:
